## **Shock - Yes they still do that!**

### **Worldwide Protest Against Electroshock Boston Solidarity Protest**

**May 16, 2015**

**1:00 pm**

**The corner of Cambridge St. and Grove St.  
in front of MGH (near the Charles/MGH T station)**

Please join us as we gather to honor all shock survivors and bring attention to the damage done by Electroshock, also known as Electroconvulsive Therapy (ECT). The International Day of Protest is happening worldwide in 10 countries and 29 different locations on May 16.
